What will my school day be like?

In the morning, you will come through the school gate at the side of the

school. Gates open at 8:40am and close at 8:50am.

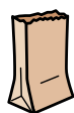

You will go up the stairs to your classroom.

Your teacher will be waiting for you in your classroom.

At the start of the day you will hang up your coat and put away your

We start the day with English and Maths. Sometimes you will work in small
