Rose Hill Really Useful Reading Recommendations!

1. All reading is good! Don't rule out non-fiction, comics, graphic novels, magazines, food packaging, posters, shipping lists, leaflets etc. Try joining your local library or visit our community library- it's free!
2. Get comfortable- snuggle up together somewhere warm and cosy, whether it's in bed, on a beanbag or on the sofa. And make sure your child has somewhere comfy to read on their own too.
3. Ask questions- To keep them interested e.g. What do you think the story is about? Who wrote/ illustrated the story? What type of story is it? What do you think will happen next? Who are the main characters? Etc
4. Read whenever you get the chance- Have a book/ magazine with you for any time your child has to wait e.g. at the doctors or the dentist, train or bus journeys etc. Read reading books sent home from school as much as possible. Remember to comment in the reading diary. We love hearing how children have got on with their books!
5. Enjoy bedtime stories- Read with your child at bedtime as often as you can. It's a great way to end the day and spend time with them. Remember you can read the same book more than once. Re- reading helps to build fluency and confidence.
6. Worried or concerned? -If you are concerned or have any questions regarding your child's reading, please don't hesitate to talk to your child's class teacher.
