Communication is the Key!

Please feel free to contact me with any questions, queries or concerns regarding SEND (Special Educational Needs and Disabilities). I am here to support the Rose Hill community in anyway I can. You can email the school office, phone the school or come to the front office.

Homework Tips

Set up a homework-friendly area. Make sure kids have a well-lit place to complete homework. Keep supplies — paper, pencils, glue, scissors — within reach

Schedule a regular time slot. Some kids work best in the afternoon, following a snack and play period; others may prefer to wait until after dinner.

Help them make a plan. On heavy homework nights or when there's an especially hefty task to tackle, encourage your child to break up the work into manageable chunks. Create a work schedule for the night if necessary and take regular breaks if necessary.

Keep distractions to a minimum. This means no TV, loud music, or phone calls etc.

Make sure they do their own work. They won't learn if they don't think for themselves and make their own mistakes. Parents can make suggestions and help with directions.

Be a motivator and monitor. Ask about homework, quizzes, and tests. Give encouragement, check completed homework, and make yourself available for questions and concerns.

Set a good example. Do your children ever see you diligently balancing your budget or reading a book? Children are more likely to follow their parents' examples than their advice

Praise their work and efforts. Display certificates and achievements on the refrigerator.

Provide tools- make sure children have the materials they need to complete homework e.g. pens, pencils, dictionary etc. Please speak to the school if you need help with sourcing these.

If there are continuing problems with homework, get help. Talk about it with your child's teacher. They are here to help!
