

# Rose Hill Spelling Long Term Plan

This document sets out how spelling is taught throughout Rose Hill from EYFS to Year 6. Pupils begin their spelling journey by learning grapheme-phoneme correspondences for single letter sounds, digraphs and trigraphs following the phonics sounds taught in their daily Read Write Inc phonics sessions. Pupils embed these spelling sounds through daily practice of writing words containing their learnt phonics sounds and using 'tick or fix' to correct any misconceptions. By the end of Year 1, it is expected that children will have a secure grasp of set 3 digraphs, trigraphs and the letter strings -tious, -tion, and -cious.

From Year 1 onwards, pupils follow the Spelling Shed spelling programme. Each week, pupils will have a spelling focus and ten spelling words containing the focus will be taught to ensure that pupils understand how the words are built phonetically and syllabically, that they understand the meaning of the word and can recognise and use the word in context. Each pupil is provided an account to access the online platform Spelling Shed where the week's spelling pattern can be practised through a series of games with different levels of challenge. Pupils will be tested on their spelling pattern in a weekly spelling test.

In addition to age-related spelling patterns, pupils will be taught the common exception words / statutory spelling words for their year group.

EYFS	<p>The teaching of spelling in EYFS is closely linked to phonics instruction, which is foundational at this stage. Pupils are introduced to the relationship between sounds (phonemes) and letters (graphemes).</p> <p>They begin to learn how to segment words into individual sounds and then blend these sounds together to form words. This process helps them understand how to spell simple words phonetically.</p>
