KS1 - LEARNING ABOUT PLANTS

KS1 have been learning all about plants in science this half term. In their first lesson, they planted bean seeds and have been caring for them over the past 5 weeks. They have grown so well that they needed to be moved into bigger pots. We took the opportunity to take a closer look at the parts of a plant. The children were amazed at how long the roots had grown! Hopefully, we will get the chance to see some beans growing on the plants in a few weeks!
