Well done to a great start to the new academic year! We hope you all have a relaxed and enjoyable break. We will see you again on **Monday 3<sup>rd</sup> November!**

### HALF-TERM TIME CHALLENGE

Many children find telling the time tricky, so we're launching a fun half-term challenge to help build their confidence. Over the break, children can complete simple time-related activities in their homework books. Every effort will earn house points after half term! Let's work together to help our children become time-telling superstars!
